I declare that I have read and understand the Nomination details (page 2) and have provided accurate information in this nomination and supporting response:

Signature of nominator: \_\_\_\_\_ Date: \_\_\_\_\_ / \_\_\_\_\_ / \_\_\_\_\_

## Details regarding nominations:

### Who can be nominated?:

- You can nominate yourself, a friend, a family member, neighbour, or even someone you don't personally know but see regularly doing a good job!
- Nominees are to be residents of Mount Morgan (residence with a post code of 4714) or attending the local schools.

### Do you have to tell the person you are nominating about the nomination?:

No. All nominations are kept to the discretion of the staff of MMPAD and the Pride in your Town Award judges. All nominees will be advised by MMPAD staff of their nomination prior to the completion of judging.

### What do you have to do to nominate?

To nominate for the Mount Morgan Pride in your Town Awards, you will be required to:

- Complete and submit an application form provided by MMPAD.
- Write and include a response relating to the nominee and why you feel they should be chosen as the winner for the category they are being nominated for.
- You can also supply supporting documentation with your response if you desire - this could include newspaper clippings, letters, testimonials etc.

### What are the kinds of things to include in the supporting response?

It is suggested that the supporting responses for nominations should be as specific as possible – providing specific detail to the nominee and why you feel they should be recognised. For example:

- How long you have known the person / been aware of the organisation/ been a customer of the business
- How long they have been involved in the local community
- How long they have been involved in the particular activity discussed for the category (ie volunteer work, sports, arts/ literature, beautification work etc)
- Examples of their achievements thus far and the kinds of contribution/impact they have made to the community
- Why you personally believe they should be chosen as a winner in the selected category

### How many times can you nominate?

You can nominate as many people as you wish if you feel they are worthy recipients. One person can be nominated in multiple categories.

### How many winners are chosen?

One winner for each category will be chosen. Please note, further certificates may be awarded if deemed necessary.

### How are winners chosen?

Judging will be determined by application responses (not necessarily the number of times a person/group is nominated). Further to application responses, judging for certain categories may be finalised by other methods of verification.

### When are nominations required by and how can they be submitted?

- All nominations are to be submitted to MMPAD by Monday, April 21, 2014.
- Nominations can be submitted or posted to the MMPAD Office (1 Railway Parade, Mount Morgan), or emailed to: [mmpad@bigpond.com](mailto:mmpad@bigpond.com) All nominees will receive a call acknowledging submission by April 28th, 2014.
